

Seeking Application for the Position of Research Associate (RA)

Gujarat Institute of Development Research, Ahmedabad

Project Name: Impact Assessment of Citywide Inclusive Sanitation (CWIS), Trichy Programme

Funding Organization: Indian Institute for Human Settlements (IIHS)

About the project

The Citywide Inclusive Sanitation (CWIS) Programme in Trichy, facilitated by the Tamil Nadu Urban Sanitation Support Programme (TNUSSP), has demonstrated significant advances in inclusive urban sanitation. As the programme concludes, IIHS-TNUSSP has commissioned an external evaluation to assess its effectiveness, impact, and potential for replication across other cities.

Qualification and Experience of RA

MA/Ph.D in Economics/Econometrics/Sociology/Urban Studies/Development Studies/ Gender Studies with research experience in Sanitation/ Urban Governance/ Social Inclusion/ Gender. The RA is expected to be engaged in each stage of the study including but not restricted to preparing and studying available literature, organizing stakeholders' consultations, supervision and monitoring the field work, data collection, preparation of data, data analysis, and preparation of draft reports.

Position Name	No. of positions	Location	Tenure
Research Associate	2	Trichy	2 months
	2	Anywhere in India (Ahmedabad is preferred)	3 months

Salary and remuneration

Salary will depend on the suitability of the candidate, budget provisions and institutional norms at GIDR. However, for a suitable candidate it will be in the range of Rs. 40,000/- to Rs. 60,000/- per month.

Interested candidates please send your detailed CV highlighting your qualification/experience in line with the project requirement at amrita@gidr.ac.in or amrit.econ.research@gmail.com by 16. 06. 2025
